Club History

Rovers from humble origins to today!

Football has been played in Willand for well over 100 years and the first match reports exist from November 1907, when Willand Association Football Club was under the chairmanship of Dr Henry Tracey of the Gables and played their home games at the Pavilion Ground, being the field opposite the Halfway House.

The football club was still going strong by the years of the Second World War, when it was known as Willand Wanderers FC. However, a spell in the financial doldrums left Wanderers going out of business and out of the ashes rose Willand Rovers.

There were two members from the football club on the committee of Willand United Services Club formed in 1942 to organize wartime social events.

During the 2nd World War and for a period of time after wards, the club played home games in Henry Eveleigh's field which is the land that, these days, is opposite the chip shop in Station Road, Willand.

It was in the early 1950's that the club made the switch to its present home, Silver Street, now known as the Stan Robinson Stadium in deference to its main sponsor, Stan Robinson Transport. In 1972 Willand started the season there against near neighbor's Tiverton Town in the Premier Division of the Devon and Exeter League. Interestingly enough, the K. O. was scheduled for 3.15. (To allow the crowds time to enter?) This season saw the first programme produced for match days with 40% of the proceeds on sales going to a prize draw. It also saw the introduction of a refreshment caravan. Whilst it is not clear what was sold from the caravan, the programme advertisers included current programme advertisers, Willand Service Station and Cafe and Spearing's Coaches, past stand sponsors, Lloyd Maunder, now 2 Sisters food group and the long departed Railway Inn at the original Tiverton Junction station.

For the opening match of 1972-3, the two teams included any number of well-known local football names including, for Willand Rovers, Kenny Freeman and current club chairman, Mike Mitchell whilst Tiverton Town included Colin Campion, a relative of Dave Campion who was to go on and become Secretary of the club in early 21st century, along with Nick Seatherton, whose relative, Mark, was one of the stars of the Rovers Devon County League side in the 90's.

LEGEND SAYS.....

In 1989 Thatcham reached the last eight of the FA Vase, and in the same competition a record attendance of 1,400 was set when Aldershot Town won 1-0 at Waterside Park in 1993/94. However, in 2017/18, Thatcham went all the way and rounded off a magnificent season by lifting the trophy at Wembley Stadium!

A fifth-round win against Bromsgrove Sporting brought realisation the club could be on the verge of something special, then over 2,200 attended the quarter-final victory at Melksham Town as cup fever swept the town. Thatcham defeated 1874 Northwich 1-0 and 3-2 in the two-legged semi-final and took over 5,000 fans to Wembley as Stockton Town were beaten 1-0 in the final.

1996/97 saw Thatcham's best FA Cup run as they reached the Fourth Qualifying Round, but the club are yet to progress beyond the Second Qualifying Round of the FA Trophy.

Thatcham completed the Hellenic league and cup double, by lifting the Hellenic First Division Cup in 1972/73 and the Premier Division Cup in 1974/75. Also in 2017/18 the club reached both league cup finals, only to lose to Bracknell in the Challenge Cup and Binfield in the Floodlit Cup. Meanwhile during the 1990s Thatcham won the Wessex League Cup on four occasions, completing the double in 1995/96. In 1974/75 the club lost the final of the Berks & Bucks Senior Cup but were awarded the trophy following a dispute between Wycombe Wanderers and the Berks & Bucks FA.

Following Thatcham Town's best ever season, the club finished mid-table in their first season back in the Southern League Division One South and are optimistic of a successful 2019/20 season.

THE HISTORY OF THATCHAM TOWN FC

Thatcham Town Football Club was founded in 1894. The club were originally known as Thatcham, with 'Town' added to its name in 1974. In the early years Thatcham played at The Marsh on Dunston Green, Brownsfield (home of the Cricket Club), Station Road, and in 1949 moved to Lancaster Close. In January 1983 a friendly was played against Fulham FC to commemorate the switching on of new floodlights. To provide improved facilities the club moved to Waterside Park in 1992/93.

The club joined the Reading Temperance League in 1896, winning the Division Two title in 1905/06. In 1953 Thatcham became founder members of the Hellenic League and won promotion to the Premier Division as Division One champions in 1958/59, 1964/65 and 1972/73. The club then won the Hellenic Premier Division title in 1974/75. Following spells in the Athenian and London Spartan Leagues, the club joined the newly formed Wessex League in 1986 and won the title in 1995/96. After finishing second in 2005/06, ground requirements were met earning promotion to step four.

The Kingfishers spent eight seasons in the Southern League Division One – seven in the South & West Division and one (2012/13) in the Central. After sixth-placed finishes in 2006/07 and 2008/09, the club achieved its highest ever position in 2010/11. Despite being in the bottom half of the table at Christmas, the club earned 38 points from the final 15 matches to finish in fifth, however Thatcham were beaten at Sholing in the play-off semi-final.

Once safety was assured in 2013/14, the club resigned from the Southern League to cut costs by playing at a lower level. Town finished twelfth in their first campaign back in the Hellenic Premier, and finished second and fourth the next two seasons. However, in 2017/18 the club embarked on an incredible 40 game unbeaten run which saw them overtake long-time leaders Highworth Town and eventually pip Bracknell Town to the title on goal difference.

Legend has it that the current grandstand was built with timber from the then village hall, which also had to make way for the motorway. Despite the stand, disaster followed in 1985 when the Devon and Exeter League ruled that the club did not have adequate facilities to continue to play in the Premier Division and demoted the club to its senior leagues and the reserves went to play in the North Devon League.

Looking at the club and its facilities now, one has to admire the quick and positive way the club fought back from this moment of adversity. As a measure of the progress the club made at that time, inspired by current President and former player and club manager, Peter Ward, "The Rovers" not only got back into the Premier Division of The Devon and Exeter League, it then became one of the founder members of the new Devon County League when it was set up in time for the start of the 1992-3 season.

Rovers hosted their first ever County league match, and Bert Millichip, then the Chairman of the Football Association, was in attendance to witness history being made for the village side.

The manager at that time was Mike Howe, a well-known local former player with both Tiverton Town and Elmore and further proof that "The Rovers" were on their way.

THE CLIVE JONES REIGN.....

Under current manager Clive Jones, the club's rise continued with the County League being won in 1998-9 and again in 2000-1 followed by promotion to the Western League Division One and in season 2004-5, promotion as champions to the Premier Division of the same league.

Success like this on the pitch can only come with hard work and dedication going hand in hand off the pitch and the club has been blessed with a series of loyal and unpaid servants such as the already mentioned Peter Ward, Dave Campion and Mike Mitchell plus such people as Andy Jarrett, who served for 22 years as Secretary. There are many, in the past and in the present, who have, and do, work tirelessly for the club. The clubhouse, post and rail pitch surround and floodlights have all been put in place by the club members. In 2013 in his last game for the Club Clive lead his men to a 1 nil victory over Hallen in the Les Phillips Cup Final.

ROVERS CLIMBING THE FOOTBAL PYRAMID.....

Willand's standing in non-league football climbed to new heights in the last few seasons as they lifted the Les Phillips Cup in 2006/07 beating Welton Rovers in the final, after finishing runners-up to Corsham Town the previous year. Their then highest ever league position also followed in 2007/08 with a fantastic third place spot and that was bettered in a magical 2009/10 season that saw Rovers finish second only to Champions Bideford whilst they also reached the Fifth Round of the FA vase. In 2015-2016 after marathon 7 games were knocked out by Gosport Borough of the Conference South in the 4th Qualifying Round of the FA Cup, just round away from playing in the competition proper.

At the end of the 2013 season long time manager Clive Jones stood down and was replaced by young duo Scott Rogers and Russell Jee. As they learnt their trade the club finished a respectful 8th last year in the league. At the end of the season which was Scott last game in charge of the team we won the Les Phillips Cup beating Barnstable in the final. This season we have had a tremendous FA cup final playing clubs from East London and the South Coast before falling to Conference South giants Gosport Borough.

In 2015 saw Russell Jee taking over as manager with David Steele as his assistant. This exciting pairing will be given time to adjust at the top and improve the club league standing. The season did not start too well with 4 points from the opening league matches and out of both FA competitions. But the club and squad stuck together and went on an unbelievable 12 match winning streak through November, December January and February, by the end of the season we had finished 6th with 70 points our highest points tally in 6 years. We continued our love affair with the Les Phillips Cup with our 6th final appearance in 15 years, unfortunately this year we were the bridesmaid rather than the bride losing to Hengrove Athletic by an odd goal. Our record in the final is now 3 all.

In 2017 the league recognized the sterling services of a few of the 'characters' who have been associated with Willand for over 50 years each. Mike (Mitch) Mitchell, Tony (Tacker) Williams, Pete (Duffy) Ward. Mike (Bacon) Mears and Reg Vile have all shown tremendous commitment to the club and have totaled in excess of 280 years loyal services just to one club, Willand Rovers. We do however have some younger blood helping out within the Club, our Treasurer Cath Dinner has had a long involvement with WRFC as her father played here when she was a mere slip of a girl. Simon Dinner is responsible for the club-house events and maintenance. Tracey Greening is our General Secretary and keeps a sharp eye on all the stock. Dom Clark has been football secretary for a few years now replacing the sadly departed Tony Baker.

Off the pitch the thriving fully refurbished club-house continues to help provide vital funding and the club also has a range of branded merchandise and local business, despite the hard times of the early 21st century recession continue to support, none more so that local haulage firm – Stan Robinson Transport who have increased their involvement with the club as "The Rovers", seek to maintain the impetus of the last few years. Other local businesses have continued to support the club and thanks to The Hickory Inn, Devon Tarmaster, Pencarrie for their involvement with us.

In 2017 we welcomed a new team to Silver Street with the arrival of the Braveheart's FC a local side formed to help raise funds for service personnel and founded out of the tragic loss of one of their mates who was killed in action whilst serving with British forces in Iraq. The Saturday side run by Nick Lush finished in mid table in Division 6 their highest finish in their short history but gained success in winning the Carlisle Cup with a late equalizer they then went onto score twice in extra time to secure their first piece of glittering silverware. The Sunday side ably led by Kris Roper put a magnificent late season run together overturning a huge goal difference as they chased the leading side to come through magnificently with a splendid last match win to ensure they ended up as Champions.

For Willand Rovers the 2017-18 season brought the most entertaining attacking football brand we have seen, we were leading goal scorers in the division with some 121 goals in all competitions. Russell and David have brought in exciting young talent in the shape of Luke Mortimore and Brad Ausden and added some experience with Josh Searle and Glenn Gould together with the existing retained squad secured 3rd place with 78 points and a positive goal difference of 50+. WRFC were in great shape going into February with games in hand on the eventual league winners, but the wet weather reduced the league programme to a shambles ensuring we are and other clubs were playing 3 times a week. Added to that the loss of 4 key players to serious injury did not help our cause. But as we strive to improve both on and off the pitch this season was certainly taking us in the right direction.

2018-2019 The History Makers

2018 was the Chinese year of the dog well for Willand it was a year when we ended up top dog. It was a year never to be forgotten and will take some effort to beat. The season started by the return of a warrior in Rob Norrish and the introduction to senior football at the club of one of ex youth players Ben Bickle. Both were to have an impact on how the season went. In September another experienced player joined in Craig Duff and that mix of young talent, experience stood us in great stead over the 52 game we played last season.

The brand of football we played was one of excitement and flair some of our goals would not have been out of place at the Etihad or Nou Camp. We ended scoring 152 goals across all competitions. We departed the FA cup early but did not lose in the league until late September but by then we have started our FA Vase journey which took deep into the competition finally bow out in the 1/4 finals against the losing finalists. In snow covered February and with 6 inches of snow on the ground a magnificent village effort with some 30 volunteers aged between 12 and 84 came and cleared the snow from the pitch so we could get the FA Vase 5th game on was truly amazing. Overcoming Deeping Rangers that Saturday was a magical and befitting moment for the club players and volunteers taking us further into the Vase than we had been before.

Our bread and butter is the league steadily we marched on sitting top of the table for much of the season, where everyone wants to come and knock you off your perch. There were a few hiccups on the way but come late April it was a 2 horse race we needed to draw the other side needed to win.

Travelling to third place Bitton, needing a draw to win the league, Bitton themselves could pip everyone if the calculators could work out the permutations. We got off to the worst possible start conceding a goal after 20 seconds, now the pressure was on but slowly we came into the game but could not find that allusive equaliser.

On the hour we were reduced to 10 men when one of ours was sent off for protecting one of our players from getting thumped. With second place Parkway winning and now top of the league as it stood we needed something special from someone.

But true Champions find a way; they don't lie down in the face of adversity and 2 minutes after being reduced to 10 men, Luke Alden popped up with a sublime finish to gain parity.

So for the first time in the club history we won the Western league and were promoted to the Southern league.

Some of those history makers have left some have moved away some have business and a young family to consider, but they will all go down in Willand folklore as heroes.

So Willand Rovers stand proudly at the highest point the club has reached in its short history. The this year will bring a different set of challenges, the decision has been made to start to develop the Stan Robinson Stadium, a new seating stand which can accommodate at least 50 seats is being sourced, ground in fill around the pitch side has been completed, a physio room and outside toilets have been added as we prepare for our first encounter with the Southern League.

The Club now has to consider whether to stay at Silver Street or move to a facility fit for purpose, with ever more development going on in the village and surrounding area now is the time to make that decision of where our home for the next 55 years will be. The last news is that in consultation with a local businessman and land owner we may well be placed to find Willand Rovers a new home in the next 5 years. The story goes on as the dream still unfolds – Watch this space.
